BioStream Pumps

New 2017

BP100

Optional Remote control provides full control from 275m (900ft) away.

**Stationary Bar
Grader & Counter**

Intake Devices

Increases fish safety • Decrease setup times • Allows low water pumping

**Tank Bottom
Suction Cone**

Ideal for low
water pumping
or tank draining

**Transition
Suction Cone**

Better option for
applications that
require pumping
from a lower
water depth

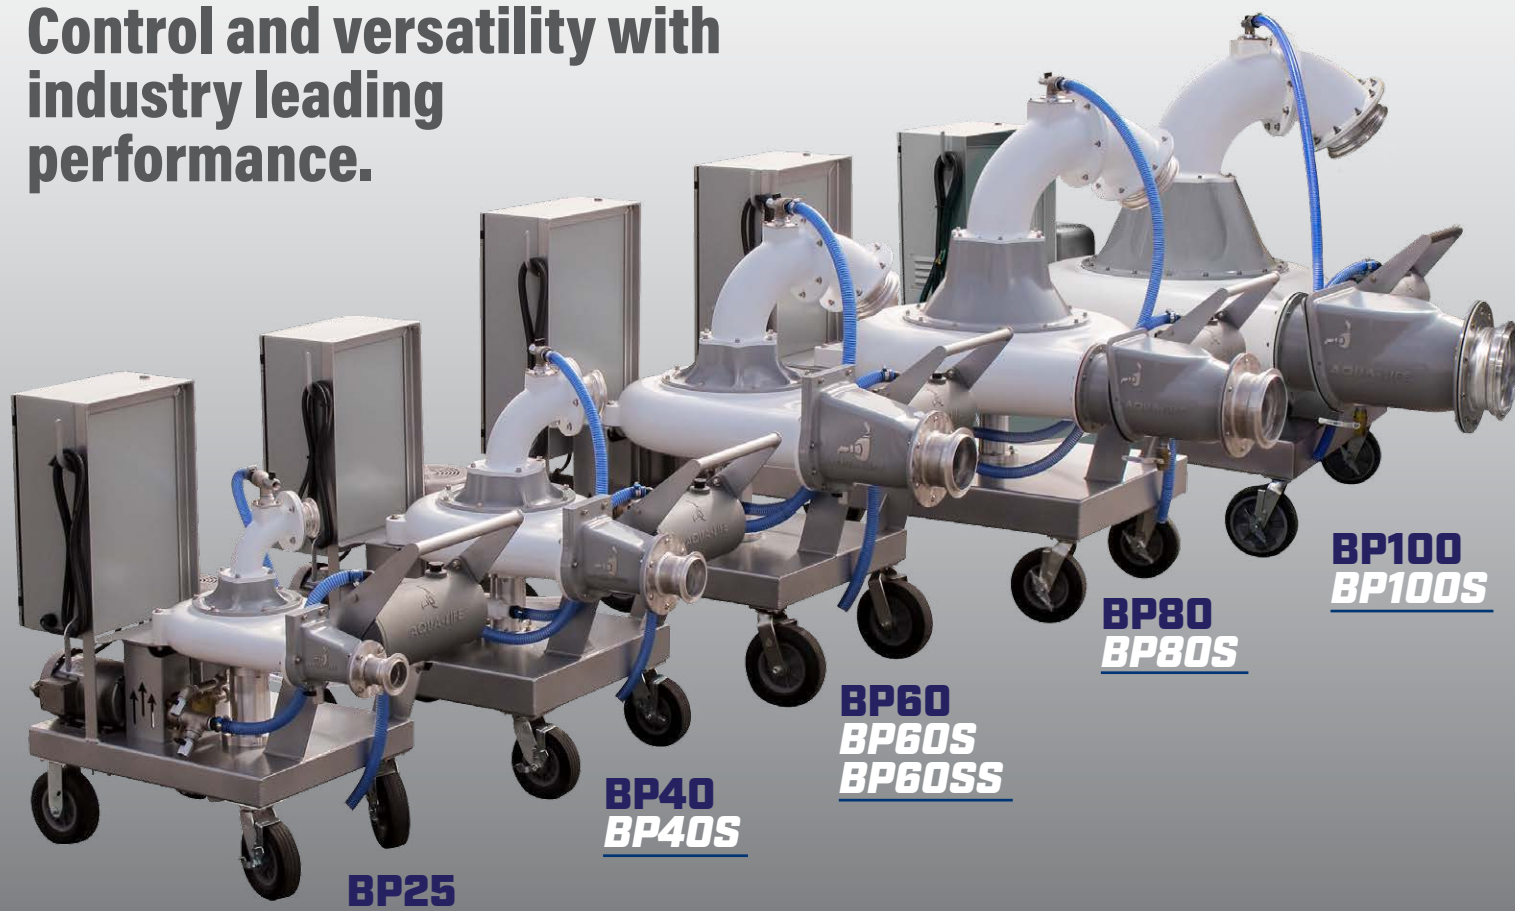

**Suction
Tube**

- Light weight
- Quick setup
- Added control
- Aids in-line purging

Control and versatility with industry leading performance.
